Insurance: Both full and recreational members should assume that the CV Insurance Policy does not cover them for personal injuries occurred during training and events. Members should take individual responsibility and choice for personal insurance requirements.

New Member Pro Rata joining fees after 1st January on agreement with the Membership Secretary Note: Existing members MUST pay full membership fees. No Pro Rata.

#Social paddling membership offers full benefits, including insurance, relating to any club activity but excluding any on water paddling activity. If the club members are not paddling in Canoeing Victoria activities AND have insurance provided by another association (such as AOCRA, SLSV etc), then the non-paddling membership is how they could be joining Canoeing Victoria.
